

## DO YOU WORK WITH YOUNG PEOPLE AGED 15-24?

We now have a tailored and flexible service to work with young people. Our support looks to offer a positive step towards employment, apprenticeships, traineeships or further education.

Our Skills Support for Growth (SSG) service includes:

- One-to-one advice, guidance and employment support
- Work experience in various sectors such as catering, retail, creative, construction and grounds maintenance
- Accredited training suited to the individual
- Confidence and skills training
- Support to make the transition to mainstream education or employment easier

If you would like to refer to the service, please contact the **One Future team** on **0161 230 1057**
