

Welcome to the Good Jobs Project:

The Good Jobs Project will support Greater Manchester (GM) participants. We will raise awareness of local job opportunities and provide information, advice, guidance, training, and job brokerage – placing residents into work through a range of opportunities within the North Manchester area, as well as with established employers .

The Good Jobs Project is funded via The UK Community Renewal Fund (UK CRF) which is a UK Government programme for 2021/22. The UK Community Renewal Fund is administered by the Ministry of Housing, Communities and Local Government (MHCLG).

What we do:

We will provide information advice and guidance and encourage participants to access training, upskill and access to job opportunities. We have dedicated career advisors who will not only provide a professional service but will also create a 'It's all About You' person centred action plan which will include overcoming barriers.

They will help participants achieve in the following areas;

- Engaging in life skills support; including coaching and motivation
- Education and skills; including preparation for apprenticeship programmes
- Gaining recognised qualifications
- Aid those who are Economically Inactive to engage with the benefits system
- Job engagement, support on job searching, help with CV build and review

If you have a participant that may be interested please ask them to scan the code below and we will be in touch .

Going forward:

Starting Point - We are making our way North Manchester outwards so please feel free to refer you service users, customers, clients, and community contacts to us.

Eligibility – Ages 16+ and all abilities and stages of development welcomed. GM residents and those who have established right to work and right to remain status.

Locality – Based at Hexagon Towers in Crumpsall we have outreach centres in Cheetham Hill and Harpurhey providing good access and routes for our participants.

We are excited to work with your organisation and be part of the ever changing for good communities. We have attached an Expression of Interest QR Code for those you may already have on your register ready to use the service..... we are ready, are you?

If you have any questions or queries, please feel free to contact us, until then we look forward to connecting with you.
