

# CHANGEMAKERS NCS

**Want to do some good and make an impact in your community? Join your local Changemakers group!**

## **WHAT IS CHANGEMAKERS?**

By joining your local Changemakers group you'll design and deliver social action projects for your community, on subjects that matter to you.

## **WHAT DO I GET OUT OF IT?**

You'll see your passions turned into action, help the people around you thrive, get a better understanding of how your community works and what it needs, and create a more positive and sustainable future for everyone.

And on top of that, you'll meet new people who think the same way you do, learn a lot about yourself, and gain a bunch of skills that'll boost your personal development - think creativity, leadership, listening, teamwork, planning, problem solving, and project management - and look great on your CV!

## **HOW DO I GET INVOLVED?**
