

Important road closure and parking restriction information

Back for its first outing since 2019, Manchester Day returns to the city for a day of fun and free activities. Manchester Day 2022 is for all ages but will have a specific focus on young people, as we celebrate 2022:Our Year, a year-long festival for children and young people across Manchester.

On Sunday 19 June from 11am–5pm, free events will take place across the city centre.

The highlight of Manchester Day is a community parade that winds through the city's streets, attracting around 60,000 spectators. In order for the parade to go ahead safely, we will need to make some temporary road closures, listed below.

The following roads will be closed on Sunday 19 June:

7am–7pm	Liverpool Road (from Potato Wharf to Deansgate)
11am–4pm	Deansgate (Whitworth Street West to Victoria Street)
	St Mary's Gate (Deansgate to Cross Street)
	Cross Street (St Mary's Gate to Princess Street)
	John Dalton Street (Princess Street to Deansgate)

Access to premises

Access to and from the following roads will be limited between 11am and 4pm:

Lloyd Street, Queen Street, South King Street, St Ann Street, Bootle Street, Jackson's Row

Access to the following roads is available, but NOT via Deansgate:

Tonman Street, Camp Street, Byrom Street, Longman Street, St John Street, Artillery Street, Quay Street, Little Quay Street, Hardman Street, Bridge Street, Southgate, King Street West, Great Bridgewater Street

Access to the following roads is available, but NOT via Liverpool Road:

Southern Street, Bridgewater Street, Stone Street, Duke Street, Rice Street

Parking suspensions will be in operation along all route roads. Full details can be found on our website shortly before the event www.manchesterday.co.uk

On the day, full traffic diversion signage will be in place across all areas affected by road closures, and we will do our best to minimise the duration of these closures.

Castlefield Bowl

Friday 10 June to Monday 20 June

From Friday 10 June to Monday 20 June, a number of parade structures will be built in Castlefield Bowl. These will be enclosed in a Heras compound with overnight security. Pedestrian access will be maintained around the Heras compound and any noise disturbance (power tools) required for the build will be limited to the hours of 9am–6pm.

If you have any concerns or want to find out more before Manchester Day, please contact the Events Unit on 0161 234 1778. On Sunday 19 June, stewards positioned along the route will be able to help with your queries.

If you have any problems on the day of the event, please contact the event management on 07951282087.

Manchester City Council apologises for any inconvenience this event may cause you.
