

We would like to invite you to come the launch of The EASY EYE CARE PATHWAY for Lancashire and South Cumbria .

to

Monday 20th June from 9.30am to 10.45am

The launch will be online using Zoom.

We are also celebrating that this now means the service covers the whole of the North West Region so we welcome anyone from across the North West.

Who should attend?

This session is for you if you are:

- A person with a learning disability and or autism living in the North West.
- Family carer
- Provider of support,

-
- An Advocacy group
 - Health Worker Eye Care Professional
-

Find Out:

- Why the Easy Eye Care Pathway is so important
- How it Works
- What to expect from your Optician
- Where to get information
- How we can all promote it

If you would like to attend, please fill in this short form (click on the link below) and we will send you the zoom link to join
