

Step into Care

A pathway into
social care employment

Are you interested in working in social care?

If you are caring and compassionate, have good communication skills and looking for a new opportunity, then get in touch today!

We are looking for people with the right values and transferable skills to begin their social care career.

No experience necessary.

Roles include care assistants, housekeeping, laundry, catering and more.

Step into Care can provide you with:

- Initial face to face virtual training to gain an introduction into health and social care
- A placement with a reputable social care employer keen to welcome you into their team.
