

Manchester University
NHS Foundation Trust

Join our Community Diagnostic Care Navigator Team.

Your Place To Progress

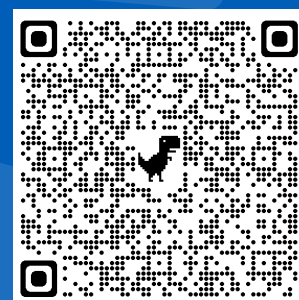

Our brand new Community Diagnostic Care Navigator Team for our MFT Community Diagnostics Centres (CDCs) has a variety of different opportunities on offer.

If you have a passion for care, improving diagnostic access for our local communities, supporting our patients through their journey and reducing health inequalities within Manchester and Trafford, we could have the role for you.

**Find out more about our various opportunities
at one of our upcoming Open Days:**

Wythenshawe Forum, 27th October
Manchester Youth Zone, Harpurhey, 28th October
