Context

At Gaddum, we treat everyone as individuals. We really get to know those we help, understanding their world to offer a range of support that's right for them. Our promise of tailored support is made possible by our breadth and depth of knowledge, through our unwavering commitment to the local people of Greater Manchester.

Our experience listening to generation after generation, for nearly 200 years, has taught us the importance of considering not just the individual but also the relationships around them. Our innovative approach means we can, not only build resilience, but identify further risks and offer preventive support now and in the future. At Gaddum, we believe that by supporting individuals, we ultimately help support entire communities.

Our aim is to empower and enhance the lives of people in Greater Manchester. We currently work in four Greater Manchester authorities; Manchester, Rochdale, Salford and Stockport.

Job Summary

To work as a member of Gaddum Therapeutic Services which includes Counsellors, Social Workers, Art Therapists, and Play Therapists. Your case

load will be predominantly CYP who have experienced a bereavement of a significant person in their life.

Job Purpose

To provide therapeutic support to CYP who have become stuck in their grieving process following the bereavement of a significant person. This will include one to one work and occasional group work which will usually take place at the child's school, community venue or remotely via telephone or online video.

To offer advice and guidance to professionals and carers who contact us following a child's complex bereavement. Effective working relationships with parents, carers and other professionals will be a crucial element of the role.

Main Duties and Responsibilities

- To be accountable to the CYP Therapy Services Manager.
- Provide an initial point of contact for family members and professionals considering a referral to the service or requesting advice and guidance.
- Provide support in the grieving process, offering advice, making an initial assessment of need and signposting to other services where appropriate.
- Following assessment, offer therapeutic intervention to CYP, supporting their adjustment to loss and building resilience. Interventions should meet the assessed needs of each individual.
- Ensure all involved with the CYP understand the complexities of a bereavement, including those experienced as a result of COVID-19.
- Maintain case records, monitor and evaluate your work in line with the organisations processes and protocols.
- Undertake regular reviews with family members and other professionals as appropriate.
- Ensure effective multiagency working with other professionals.
- Contribute to the organisations training programme.
- Contribute to and support the development of the CYP offer within Gaddum.
- Support the development of Student Social Workers and Counsellors whilst on placement in the organisation.
- To prepare reports for and attend reviews in educational, health or social care settings, including application for financial support from trust administered by Gaddum Centre.
- Work to Gaddum Centre policies and procedures, specifically Health and Safety, Equality and Diversity, Confidentiality and Data Protection.

- Ensure Safeguarding procedures are carried out in line with relevant legislation and Local Authority requirements.

Organisational Responsibilities

- To actively engage in ongoing personal and professional development, making full use of supervision, appraisal and learning opportunities.
- To act at all times to promote equality and diversity ensuring inclusive and integrated services.
- To seek advice, support and guidance as required
- To maintain a general understanding of the work of the whole organisation and attend team meetings/events.
- To adopt a flexible approach to working patterns to suit the needs of the role and responsibilities as required.
- Maintain relevant Continuing Professional Development (CPD) and Professional Membership as required for the duration of your role with Gaddum.

Our values and policies

- To adhere to Gaddum Policies and Procedures, including Safeguarding and Confidentiality.
- To uphold Gaddum's values of being: Supportive, Empowering, Professional, Diverse and Innovative.
- To work as a team with colleagues.
