CREATIVE INFLUENCER'S SHOUT OUT...

*"You are never too young.
Never too young to have great
ideas. Never too young to
make a change.
You are never too young! "We
would like to ask what have
the arts done for you... And
what will you do for the arts?"
- Rosie*

*"I've always been obsessed
with imagination, reading,
books and bringing things to
life and I found magic in that.
The further I got into MADE
and the more things I did with
MADE it made my creative
spark shine brighter"
- Binish*

*Whether it's acting
dancing or drawing,
the arts can bring
out the best versions
of ourselves."
- Lucy*
