

Courageous Conversations

about neurodiversity, culture and autism

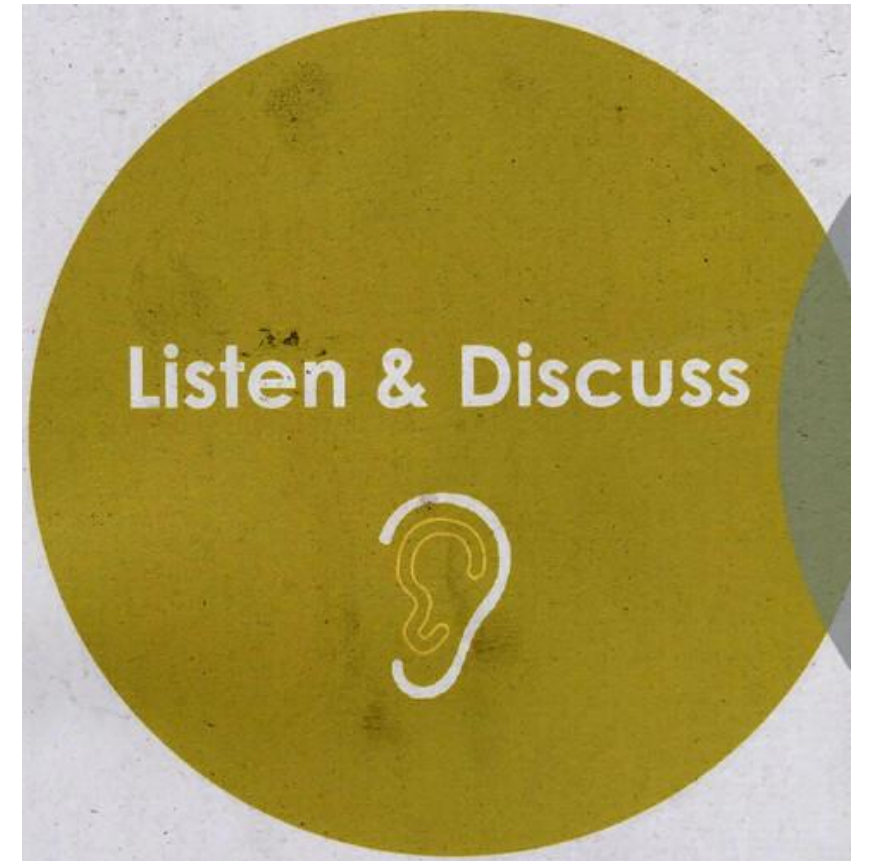

Wednesday 4th October 2023 – 10.00 - 3.30

Luther King House, Brighton Grove, Fallowfield. M14 5JP

-
- We are delighted to announce our event called **Courageous Conversations about Neurodiversity, Culture and Autism** a conference for professionals, autistic adults and family members- to get together to share insights on best practice, innovation, intersectionality around the topic of neurodiversity, culture and autism.
 - The event has been organized by the GM Autism ethnically diverse communities focus group.
 - The event will be a chance to hear from Human Library Books who are championing neurodiversity/culture/autism within their sector.
 - Our conference is for anyone interested in maximising human potential and nurturing the talent, skills and creativity found in all aspects of society across Greater Manchester.
 - We hope you can join us for what is sure to be a truly inspiring day.

A conference to talk and to listen

- Getting together to share best practice around the topic of neurodiversity, culture and autism
- An opportunity to shift 'think differently' about neurodiversity/culture and autism.
- Join us and share your lived experiences

Courageous conversations

The event will include:

- Presentations from Human Library Books
- Round table discussion
- Q and A
- Sharing experiences
- Identifying needs
- Making connections

What will the Human Library Books talk about?

1. **Introduction** to the Human Library Book
2. **Sharing** some of the challenges and potential barriers faced by autistic people and their families within ethnically diverse communities.
3. **Strategies** service providers can use to address challenges/barriers and make their services as accessible and welcoming as possible for everyone
4. **Q and A** session- delegates can ask the Human Library Books any question in a safe space
