

BEING CYBER SAFE

Level 1 Award in Cybersecurity

As cyber-attacks become more frequent, it's important to know how you can keep yourself and/or your business safe in the digital world. If you would like to learn all about cybercrime and the risks and effects it has on individuals and organisations, then this course is for you!

What will I learn?

Motives

You will understand the many forms of cybercrime and the motives behind attacks.

Protection

You will become aware of the protective methods used to maintain cybersecurity.

Legislation

You will learn about legislation and codes of conduct related to cybersecurity.

Where can I study this course?

- Greenheys Adult Learning Centre, Upper Lloyd Street, Moss Side, M14 4HZ
- Tuesdays from 5:30pm-7:45pm

Entry Requirements

- Level 1 or above English and Maths, and basic computer skills and digital platform knowledge are required for this course.
- You will ideally have access to a device (laptop or computer) at home. You can apply to our Chromebook loan system if you do not have a suitable device.
