Pre-Employment Courses with Guaranteed Interviews

Our pre-employment course offers combined targeted training with guaranteed interviews upon completion – it can be a powerful tool to bridge the gap whilst looking for work.

Do you find that you have limited access to job opportunities?

Do you feel you want to learn new skills and gain experience?

Do you have difficulty navigating the application process when applying for jobs?

What do we offer during the pre-employment course?

- Targeted short-term training programmes
- Development of essential job skills
- Personalised coaching and support
- Guaranteed interview opportunities with real employers

What will I achieve from this?

- Gain in-demand skills and recognised qualifications
- Boost your confidence and self-esteem
- Develop job search and interview skills
- Gain access to guaranteed interview opportunities
- Increase your chances of landing a stable job

Am I eligible?
