

# LEARN ESSENTIAL SKILLS TO SUPPORT INDIVIDUALS

## LEVEL 2 QUALIFICATION BUNDLE

### TEACHING ASSISTANT PATHWAY

This bundle of Level 2 qualifications is designed to enhance your overall understanding of the skills and knowledge needed to become a teaching assistant within education, public services and care settings.

Upon course completion, you'll gain the following three qualifications, each of which have been designed to help you progress into a career within education, health or social care.

#### Level 2 Certificate:

Understanding Specific Learning Difficulties

This will support you to understand specific challenges that learners will have and how to support them.

#### Level 2 Award:

Customer Service for Health & Social Care Settings

This will help you learn to communicate effectively with your learners, carers or supporting services such as social workers, as well as parents and guardians.

#### Level 2 Gateway Award:

Digital & IT Skills

This will help improve your digital capabilities when using emerging educational digital technologies and learning tools.
