WHY THIS CAREER PATH?

Data is one of the fastest growing areas in tech. With career paths leading to AI, machine learning and Big Data, now is a great time to join this sector. On this free 12 week bootcamp, we'll provide you with the perfect launchpad.

WHAT DO WE OFFER?

- Fully funded online classroom
- Live expert instructors
- Tailored mentoring support
- Industry recognised certification
- Connection to employers

We provide free laptops and WiFi to learners who need them to help make our programmes as accessible as possible.

WHAT DO OUR LEARNERS THINK?

"Lack of a degree means nothing when taking part in a Generation Skills Bootcamp. The programme has changed my life completely, not only am I confident in a professional environment but I am also in a job I never thought I would be able to get into a few months ago."
