

Your journey, your way with Career Connect

Helping young people in
Manchester to explore jobs,
education and training.

Support every step
of the way.

Career
Connect

For 16–18–year–olds (up to 25 if you are a care leaver or have an education, health and care plan) who are not in education, employment or training.

Who we are

Career Connect is a charity. We provide professional careers advice and guidance to young people in Manchester.

We can help you to explore and plan your future.

We work on behalf of Manchester City Council.

If you choose to work with us, you will receive one-to-one support from a careers adviser. They will get to know you, so that they can provide advice and support that's right for you.

Your adviser will help you to:

- Identify your strengths and interests
- Understand job, training and education choices and qualifications
- Research your options and make a plan
- Build your CV
- Build your skills and experience
- Apply for jobs, college, training or university
- Prepare for interviews
- Build confidence and positive thinking
- Obtain ID

Your adviser can also help you overcome any barriers in your way.
