

INTERESTED IN A **NHS** CAREER?

Manchester NHS University Foundation Trust offers a huge range of exciting and challenging opportunities for people who are passionate about making a difference!

Whatever your academic background, you can find a role that's right for you!

We're proud to be working in close partnership with The King's Trust to deliver this Pre-Employment Programme. As part of this collaboration, we strongly encourage individuals aged 18 to 30 to apply and take advantage of this valuable opportunity to gain experience and build a pathway into employment

What's in it for me?

- Gain skills, experience and a chance to start a career in the NHS and make a difference to the lives of others!
- Support with applications and job interviews
- Level 1 City & Guilds in Employability skills
- Make new connections and friends

What's involved?

- Application and Interview
- Maths & English Assessment
- 5-week full-time training programme at
- The Manchester College. Monday - Thursday, 9am to 3pm
- 5-week work placements - 30 hours a week
- Shift patterns from 7AM - 8PM

Placements will be spread across all of our main sites which include North Manchester General Hospital, Oxford Road Campus (MRI) and Wythenshawe Hospital

Eligibility Criteria

- Unemployed and not currently working or studying
- Looking for full-time work and available for all shift patterns, including evenings, weekends and bank holidays
- Right to work in the UK without sponsorship
- Eligible for GMCA Adult Education Funding
- Qualification requirements for lab assistant role
- Priority given to Manchester and Trafford residents
- You must be 18+

Widening Participation 

Available Role:

Trainee Nursing Assistant

Want to work with patients? This is a key role working alongside our nursing team to support patient care and will include assisting patients with mobility, feeding, washing, dressing, toileting and personal care.
