

GREEN CAREERS WEEK 2026

2-6 NOVEMBER 2026

Could your business inspire the next generation?

Manchester schools are looking for employers and industry professionals to help pupils explore careers in the green economy.

Volunteer your time to showcase your business or role

Offer a talk, workshop or demonstration and share first-hand insight into the skills, pathways and opportunities that support a more sustainable future.

Share

your business story

Showcase

green sector roles

Inspire

future talent

What could you offer?

Career talks • interactive workshops • demonstrations • career journey stories
