

*The local community has found a home at Malvern Cube where people can meet regularly in welcoming surroundings, develop their full potential and thrive.*

*It's a winning combination that, through its diversity and inclusivity, brings together all age groups and many varied interests.*

*Find out what we do from our annual review on the website or come and visit us and feel the buzz for yourselves!*

## BUSINESS SUPPORTERS CLUB

### HELP US TO HELP THE COMMUNITY

*In 2012 the Cube opened its doors to the community, having been rescued from closure by local people.*

*It's now a vibrant and welcoming centre with a busy café at its heart.*

*We host events, arts and entertainment, offer meeting rooms and performance space for hire as well as being home to a thriving programme for young people and over 30 community groups who offer a huge range of activities.*

*A charity, self funded and supported by volunteers, we think it's a very special place.*

**WE ARE INVITING  
LOCAL BUSINESSES  
TO COME  
TOGETHER TO  
SUPPORT US**

*In line with our ethos of keeping prices affordable and accessible to all, we're asking businesses to support us with an annual donation of £100, £250, £500, £1,000 per year, whatever you feel you can afford and what feels right for your business.*

*Your donation will really make a difference by helping us to continue to develop the Cube in all its different aspects.*

*Here are some examples of how your donation might help us:*

*New plantings, features and equipment are always needed in our beautiful garden which is cared for by volunteers and enjoyed by all.*

*We would like to improve facilities for the many young families who visit the Cube every week.*

*We aim to keep prices affordable for all in our brilliant Garden Café.*

*We hope to expand our performing arts programme and stage more live theatre productions suitable for all ages.*

*We won't be offering glitzy champagne receptions or glossy brochure ads. Instead, we can offer:*

- *Recognition for support of a venue that is firmly embedded in the Malvern community with a reputation for high levels of community involvement, healthy lifestyles, social inclusion and encouragement of the arts*
- *Display of your company logo on the premises and our website*
- *A pair of complimentary tickets for a music gig or theatre event (subject to availability)*
- *Complimentary room hire for a staff away day in 2025 (subject to availability)*
