MARK YOUR DIARY NOW!**

We invite you to join this interactive, case-based meeting which will delve into real-world challenges in prostate cancer care that impact everyday clinical decision-making. Through engaging case discussions and expert insights, we'll explore a range of topics – from treatment decisions and patient management strategies to broader considerations concerning **survivorship and care coordination**. **Designed to reflect the realities of modern practice, this meeting will support in delivering patient-centered care in prostate cancer.**

The agenda has been developed by our expert faculty:

Mr Craig Jones

Consultant Urological Surgeon at Stepping Hill Hospital, Stockport and Early Diagnosis Lead for Urological Cancers within the Greater Manchester Cancer Alliance.

Prof Alison Birtle

Honorary Clinical Professor & Consultant Oncologist, Rosemere Cancer Centre at Lancashire Teaching Hospitals NHS Trust.
