

## Tunbridge Wells Hospital Coronavirus Pod

**Vaccine Centre is here for Covid +/- Flu**

### **Inside Hospital Access:**

If coming from Main Reception at Tunbridge Wells Hospital, walk to purple zone lifts/stairs and go down to level -3. Exit the ground level corridor through the fire doors which lead outside towards the MRI unit and the vaccine team are in the portacabin which used to be the Coronavirus Swabbing Pod. This is an outdoor area and therefore open to the elements.

### **Outside Hospital Access:**

You will need to park in the main staff car parks and not at the swabbing pod. Follow the instructions above.

Please do not drive down the Service Road to the pod as the pod area will be closed to cars for vaccinations and you will be redirected to park in the main staff car parks.
