

Please join us for our TEACHERS TOUR EVENT

Play Avenue is an award-winning indoor role play setting for children to explore their imagination in a safe and inclusive space.

Children can explore life as a builder, doctor, actor, shop assistant, vet or police officer – or maybe something completely different!

15

THEMED PLAY AREAS

“We came here on a nursery trip! We had 48 children with us and the staff couldn't have done enough to help us! Very easy to arrange the trip with staff.

The venue was clean and absolutely full of things for the children to engage with, they all had an amazing time! We can't thank you all enough! We'll definitely be returning.”

Ben C, March 2022

We have 15 themed areas specifically designed to encourage their curiosity and realistic, age-appropriate props to create an authentic and fun experience. We have the capacity to host small or large trips of 60 children.

The event will allow you to explore our facilities, meet the team, ask questions and consider Play Avenue for an educational or reward trip with your preschool, reception or KS1 children.

RSVP please one week prior to the event you wish to join to amanda@playavenue.co.uk (so we can prepare enough cake!)

Play Avenue, Kirton Road, Messingham, North Lincolnshire DN17 3RD
