# Early Years

## Stronger Practice Hub

Supporting Early Years Practitioners in Yorkshire and the Humber

Working in  
partnership with:

Department  
for Education

# Who are we?

Our Stronger Practice Hub was designated by the **Department for Education (DfE)** to provide specific support focusing on areas most affected by Covid-19.

Our Hub is led strategically by the team at **St Edmund's Nursery School**, a leader in Early Years (EY) sector improvement in the North of England.

Our **strategic partners**, who will guide our delivery plans and ensure that content is mindful of each sector, are:

Co-op Academy  
Delius

**Belinda O'Hare**  
Childminder

# What do we do?

We will support the **DfE's** aims to **improve outcomes for children** across the Early Years Foundation Stage by:

- Establishing **local networks** of settings to share knowledge and effective practice
- Proactively **sharing information** and advice on evidence-based approaches
- Acting as a point of contact for **advice, and signposting** to other funded support
- Selecting **evidence-based programmes** to fund and make available to settings
