The new Ofsted Framework
What does this mean for your school?

The Ofsted inspection framework is changing.

Find out what the changes are and what they mean for your leadership and school.

**Course Outline**
The 2019 Ofsted Education Inspection Framework consultation proposed to rebalance inspection to look more closely at what is taught and how it is taught and to consider statutory outcomes within this context.

Make sure you are kept fully informed of the changes and the implications for schools and school leaders.

**Delegates who attend will benefit from:**
- Unpicking the new framework
- Identifying and highlighting changes
- Exploring the implications for their school
- Being provided with tools and practical advice to support them to evaluate their schools
