

## Foundation Certificate in Accounting AAT Level 2

Whether you are new to accounting or already have some experience, our Level 2 Foundation Certificate in Accounting is perfect for improving your knowledge and skills.

The course will cover 5 areas of study so that you can build a foundation knowledge of how to work effectively in finance.

Holding an AAT qualification is desirable by employers as it is a worldwide recognised qualification and demonstrates your competency in the accounting field.

AAT Level 2 can lead to jobs such as:

- Accounts administrator
- Accounts assistant
- Accounts payable clerk
- Trainee accounting technician
