Tayside Contracts Community Fund – REOPENING 1st APRIL 2023

In these difficult times, our local communities need even more help. We are fortunate to have a vibrant community sector in our three Council areas; and the contribution of volunteers and local community support is invaluable in helping those most

in need. Tayside Contracts is proud to work alongside local communities, and we have set up a Community Fund (with generous Community Benefit Funding from Brakes Scotland, one of our main suppliers) where we can give free services, we specialise in. Tayside Contracts is a shared service owned by Angus Council, Dundee City Council and Perth & Kinross Council.

We are the largest civil engineering construction organisation in Tayside - carrying out £42 million of road repairs, maintenance and construction, winter maintenance, and street lighting improvements each year. We are also Tayside's largest catering organisation – serving over 6.5 million meals every year to schools and community customers – that's 30,000 meals each day.

Our Facilities Management team keep over 400 buildings clean and well maintained, and help ensure all the occupants are safe. If you are a charity or a constituted community group, and you think we could provide a service to you, then you may want to consider our Community Fun. We do the work for you, but you don't have to pay – the Community Fund picks up the cost! Some of the things we could do for local communities include: -

- Carrying out roads/footway improvements and repairs to community facilities such as community hall car parks, or a local pathway;
- Digging trenches for rural community broadband schemes;
- Providing food hygiene or food nutrition training;
- Provision of signage via our Sign Shop for a range of community needs;
- Provision of Traffic Management for a community event.

If you have an idea about something we could help you with and you need to talk it through with us (and you don't know who to contact in Tayside Contracts, just send us a message to communityfund@tayside-contracts.co.uk.
