
Introducing “Baby— basics”

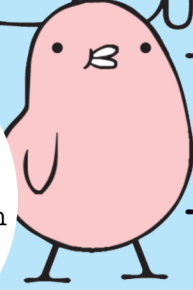

Baby Basics was founded in 2009 with the aim of providing some of the basics needed for life for vulnerable families with a newborn. Baby Basics works with midwives, health visitors and other local organisations to provide starter packs for those in need. We can help vulnerable groups such as teenage mums, families on low income, and women fleeing domestic abuse and trafficking. Our Moses baskets provide a safer place to sleep and are packed full of toiletries such as nappies, wipes and maternity pads, as well as blankets, towels and baby clothes. For some these are the only items they have for their child.
