

Stay in control of your child's health

NHS

Rates of winter infections are rising rapidly amongst children. When your child is unwell, be sure to know what to look out for and when to seek help using the FREE Healthier Together app. Developed by paediatricians, trusted by parents.

"It's like a digital doctor for you at home."

Using an easy-to-follow traffic light system, you'll find clear information on common childhood illnesses, including advice on what signs to look out for, when and where to seek help if required, what you should do to keep your child comfortable and how long your child's symptoms are likely to last.
