

## City-wide Science CPD Autumn 2023/2024

### Introduction to Science Leadership (Primary and Secondary)

18th October 15:00 to 17:00

Held at UTC

Hosted by HISP (Hampshire and Dorset Science Learning Partnership)

£80 per person but receive 70% back as a subsidiary so £24 per person

Max 30 people only from Portsmouth Schools

*This twilight CPD is for new or less-experienced science leaders (primary and secondary) and aspiring teachers who might be taking on the science lead role in the near future. Throughout the session we will focus on a variety of key aspects of the science leader's role. This will include curriculum planning, working scientifically, monitoring teaching and learning, including implications of the latest Ofsted science reports.*

*Useful resources will be signposted.*

## Developing your primary science curriculum using the Ofsted framework

Wednesday 29th November 15:00 to 17:00

Held at UTC

Hosted by HISP (Hampshire and Dorset Science Learning Partnership)

£80 per person but receive 70% back as a subsidiary so £24 per person

Max 30 people from Portsmouth Schools

*This twilight CPD session aims to support primary science leads in reviewing their primary science curriculum against the key findings from the Ofsted Science Research Review and recent Finding the Optimum reports. We will discuss key strategies to ensure that the intent, implementation and impact of your science curriculum is evident throughout school.*

## STEM Learning: Associate Professional Development Science Facilitator Training

Thursday 7th December 09:00 to 16:00

Copnor Primary School

Primary and Secondary

Free training - Maximum 15 places

*The Facilitator development programme is our flagship approach to recruiting and developing outstanding facilitators for teacher-led CPD across STEM Learning. It presents an exciting opportunity to develop the skills you need to make a real difference to your fellow educators and the young people they engage with. On successful completion of your training, you will be awarded our prestigious CPD Mark, demonstrating that you meet the very highest standards required to deliver our programmes.*

- Develop your own subject pedagogy and expertise*
- Share good practice with fellow teachers, leaders and educational professionals*
- Keep abreast of the latest educational developments and research*
- Develop a personal network with outstanding educators and consultants*
- Develop your confidence in working with adult learners*
