Computing	25.03.2024 15:45 to 17:30	Nicci Sawdy/Teach Computing	St Pauls Primary School	An introduction to Year 5 Computing	Year 5 Teachers and Primary Computing Leads	Free	

Maths – For all Maths CPD and events for Spring Term 1 please visit

<https://www.solentmathshub.org.uk/> or email Pippa (pippa.andrews@solentmathshub.org.uk)

Science – Further Science CPD will be added after the network meeting on the 24th January

Enthuse

If you are part of the Enthuse partnership with Laura Watford from STEMunity/TPA, any dates will now be communicated separately, however everyone is still invited to take part in the above CPD offering and events.

Computing Clusters

If you are part of the Computing Clusters with Gemma and Christian (Teach Computing), any dates will continue to be communicated separately, however everyone is still invited to take part in the above CPD offering and events.

UTC

Don't forget to sign up for your funded support from the UTC Outreach Team by emailing outreach@utcportsmouth.org

Solent Maths Hub Support and Opportunities

There are a range of free programmes and groups offered for all schools in Portsmouth (and across the region) which support schools in developing their maths teaching, systems, pedagogy and subject knowledge. Many programmes run annually and have already started for this year. However, if you would like to find out more or explore options for future planning, please email Pippa Andrews at Pippa.Andrews@solentmathshub.org.uk or see the Maths Hub website for information on all support available: [Solent Maths Hub](#)

Communication and Collaboration Platforms

Our STEM Leads are actively using our Teams sites to share upcoming events and information as well as sharing best practice:

[Computing](#)

[Maths](#)

[Science](#)

Please email Gemma if you have any issues joining.

Future Dates for Diaries

Primary Subject Network Meetings (All schools are invited) – Wednesday 24th January 2024 15:45 to 17:00

Subject	Led By	Contact Email	Location
---------	--------	---------------	----------

Science*	Natasha Gamble	ngamble@copnorprimary.co.uk	Copnor Primary School
Maths	Beth Eddy and Pippa Andrews	beddy@copnorprimary.co.uk Pippa.Andrews@solentmathshub.org.uk	Copnor Primary School
Computing	Nicci Sawdy and Amy Quade	ggwilliam@copnorprimary.co.uk	St Pauls Primary School

**Please note that for this year, the Primary Science Subject Network meetings are optional for Enthuse Schools*

Secondary Subject Network Meetings – Coming Soon!

Computing Week – Wb Monday 5th February 2024

British Science Week – Wb Monday 11th March 2024

More information will be coming soon about these two weeks but both will be similar to British Science Week last year with events for pupils and CPD opportunities for staff
