

**Join us as a School Governor
and be a part of making a real
difference in children's education**

The Harbour School is an Alternative Provision and SEMH school in Portsmouth, part of the Delta Education Trust.

**Are you passionate about positively impacting the lives and future aspirations of our students?
Consider volunteering as a School Governor.**

School Governors play a crucial role in the effectiveness of our school. Collaborating closely with our School Leadership Team, you'll help shape our vision and strategic direction, while also monitoring and supporting teaching and learning initiatives. Additionally, your role involves challenging our school to continually enhance its practices so that we can be a beacon of exemplary practice.

As a member of our Local Governing Board, you'll convene six times a year, either in person or remotely, to discuss key matters. You do not need to have education experience, but corporate or professional experience would be beneficial.

This experience offers a unique opportunity to collaborate with our dedicated school team and engage with our vibrant student body, all while giving back to the community and honing your own skills.

If you are interested in this rewarding opportunity, please reach out to us.
We look forward to hearing from you.
