

# Household Support Fund Exceptional Hardship Scheme Policy

## Purpose

The Household Support Fund Exceptional Hardship (HSFEH) scheme provides eligible households in exceptional hardship with a discretionary payment. The amount awarded will be decided case-by-case and awarded based on each household's individual needs.

## Overview

This fund is open to those in exceptional hardship and unable to afford essential daily living costs or an essential household purchase without support from this fund, due to an unmanageable drop in income or increase in household costs.

Applications to this fund will open in stages. Households in Portsmouth can make an application to this fund between the following dates:

First application window:	Monday 20 May - Friday 7 June at 12:00 noon
Second application window:	Thursday 20 June - Friday 26 July at 12:00 noon
Final application window:	Thursday 15 August - Friday 13 September at 12:00 noon

This scheme has a limited amount of funding, and the scheme will close earlier if all funds have been distributed.

<b>Household income thresholds - Total household income, excluding disability benefits</b>		
<b>Number of children in the household</b>	<b>Single adult</b>	<b>Couple</b>
No children	£29,665	£37,452
1 child	£38,520	£44,942
2 children	£47,375	£52,432
3 children	£56,230	£59,923
4 or more children	£65,085	£67,413

To be eligible, the household must not have access to any funds that could meet the exceptional hardship need and must provide sufficient evidence of their circumstances.

An award will only be provided where there is evidence that financial support is essential for the recipient to keep warm and well-fed and maintain a reasonable standard of living. If the applicant has previously received an award from the HSF Exceptional Hardship scheme, this will be taken into account.

Applicants must have already accessed money advice, or be willing to receive advice and support, in order to:

1. Ensure they are receiving all the income they are entitled to;
2. Identify ways to reduce expenditure;
3. Receive specialist debt advice for any unmanageable debt.

Applicants must have maximised their income by completing a benefits check<sup>2</sup> and applying for any other relevant assistance such as discretionary housing payments.

## Scope

Awards can be made to meet one or more of the following needs:

- Groceries / shopping
- Energy costs
- White goods - cooker, fridge / freezer, washing machine, tumble dryer
- Furniture or furnishings - bed, sofa / chair, table and chairs, curtains / blinds, rugs
- Wider Essentials - repairs to an essential vehicle, buying a bicycle, paying for fuel to get to work, children's clothing
- Other essential household purchase

Award amounts will be based on the size of the household, the circumstances of the household and reasons for the need, as well as the available funds remaining, and decisions will be made on a case-by-case basis. Awards are discretionary and there is no guarantee that an application will be successful.

Awards will not exceed the maximum award amount for the household size:

£350	£420	£500	£600	£700	£800

For households in the highest level of need, an additional severe vulnerability amount of up to £200 can be added to the maximum total award for their household size.

## Exclusions

This fund is not intended as emergency aid and only one application can be made per household. This scheme has a limited amount of funding, and the scheme will close earlier if all funds have been distributed. Any applications received after the scheme closes will not be eligible for a payment.

## Right to review

There is no right to request an appeal of a decision whether to award a Household Support Fund Exceptional Hardship payment.

However, if you disagree with a decision on your application (such as whether to make an Exceptional Hardship payment, or the value of an award), you can ask for a review of the decision, by providing full details of your reasons for requesting a review. A review can be requested in writing to [hsfhardship@portsmouthcc.gov.uk](mailto:hsfhardship@portsmouthcc.gov.uk) or by calling 023 9268 8010.

The review will be undertaken by a manager from the Household Support Fund team who was not involved in the original decision.

The review decision is final.
