Annual Citywide Transition Meeting 2024

Supporting Transition.

Outline

An opportunity to come together to share information about children transferring into Year R at school.

Description

This is our annual citywide opportunity for pre-school practitioners (including Childminders) and Year R teachers to come together to exchange information about children who are transferring to school.

Please come with parental permission to share information about children with receiving schools.

Outcome

By the end of this workshop you will:

- Be able to smooth the transition to school for children in your setting
- Have shared relevant information about children transferring to school
- Have worked in partnership with other early years practitioners to develop understanding of the needs of the pre-school cohort

Audience

This course is aimed at:

Year R Teachers, Practitioners, Childminders
