

# Neurodiversity Team Family Support

**As part of our family support offer the Neurodiversity Team have family support workers who can provide advice and support to families.**

## **Our family support offer includes:**

- **A telephone consultation offering advice, guidance and signposting.**
- **Monthly drop-in sessions at Family Hubs that families can book onto.**
- **A home visit offering advice, guidance, and signposting.**

**Please note that our family support offer does not encompass long term support - we do not allocate family support workers to families or provide regular/ongoing visits or support.**

**Our family support offer is short term - families are always able to come back to the team if further support is required.**
