Christmas **CARD** *COMPETITION*

To celebrate our work with Canva and development of digital literacy curriculum, we are inviting our children and young people across the city to use their design skills to create a Christmas card, which can be shared within our community.

**Closing Date: Friday 6th December 2024**

PORTSMOUTH EDUCATION PARTNERSHIP

The Digital City Project — *Technology for children, technology for adults, technology for all*

# Instructions

## To take part you will need to:

- Ensure the children/young people have permission to use Canva
- Create a Whiteboard/Project Folder for your class/school to upload their designs
- Seek permission from parents/carers for their child to submit their design
- Use this form or email Gemma to submit before Friday 6th December.

## FAQs:

- There will be 5 prizes available: EYFS, KS1, KS2, KS3 and KS4/KS5
- The winning design will be selected by a team of Canvassadors
- Each winner will receive their design printed onto a set of cards (valued at £50.00) and delivered to the school. There will also be an E Card created which schools, early years settings and colleges can use.

As always, if you have any questions, please email Gemma (info@portsmsouththedigitalcity.co.uk)
