

## Primary Subject Leader Network meetings - Spring term 2025

We are pleased to announce that the Spring term date for the PEP curriculum subject network meetings re-established following the Covid-19 pandemic and aided by PEIA funding is:

**Spring term meeting - Wednesday 5<sup>th</sup> February 2025, 4.00 - 5.00pm, with the exception of Maths which will be held on Wednesday 12<sup>th</sup> February and Languages on Wednesday 22<sup>nd</sup> January. (Please note that the Maths meeting will start at 3:30pm)**

**\*Also, there are separate groups for Art and DT now. Huge thanks to Julie Robinson from Craneswater Junior who will be leading the new DT group and hosting at her school.**

### Future date

**Summer term meeting - Wednesday 21<sup>st</sup> May 2025, 4.00 - 5.00pm.**

**(Please note that the Maths meeting will start at 3:30pm)**

Unfortunately, it is not always possible to align the dates for all groups exactly, but wherever possible this is the aim, to avoid disruption to other professional meetings within schools that staff are required to attend. We are reliant on the goodwill, co-operation and availability of the leads for each group, and are very grateful for their contributions and expertise.

If you have any general questions ahead of these meetings, please contact Debbie Anderson [debbie.anderson@portsmouthcc.gov.uk](mailto:debbie.anderson@portsmouthcc.gov.uk) For questions specific to a group, please find the contact details for the network group leads in the table below.

### Group Leads and Venues

#### **\*Action\***

Please ensure that the subject leads attending your group have included their name and email address on the All Schools Contacts spreadsheet on the PEP website which is password protected and not accessible to the general public, as this will ensure that group Leads are able to contact people with links to online meetings, venue changes etc.
