

## Portsmouth LA Primary Language Leads

### A week of celebrating languages in Portsmouth 17 – 21 March 2025

## Friendship in Many Languages

### What does friendship mean to you?

In preparation for a 'week of celebrating languages', young people in Portsmouth are invited to create something which represents **friendship** to them. It could be a poster, a cartoon, a video, an audio file or a piece of poetry and should include the word for friend or friendship in a language of their choice, perhaps their home language or a language they are learning at school or independently.

This could also be a great opportunity for discussion about how friendships are built when children come from different countries and cultures.

As a starting point, it might be about discussing what key language might enable us to greet others, or maybe about learning the words for the qualities that make a good friend.

Learners could choose which language, and how much, to use in their competition entry.

There will be two categories:

- Primary      and    \* Secondary and beyond

**with certificates for all submissions and prizes for the winning entry in each category. Additionally, submissions will be displayed on the Portsmouth, City of Languages website.**

**Closing date for entries is mid-day on Friday 7 March. Entries should be sent digitally to Elle Smith, Solent Language Hub Administrator at [esmith@solentlanguagehub.co.uk](mailto:esmith@solentlanguagehub.co.uk)**
