Reflecting, Impacting, Growing

As we reach the halfway point of 2025, we're taking a moment to reflect on the journey so far, and wow, what a journey it's been.

In just six months, Politely Rebellious Next Gen CIC has:

- ✨ Reached almost 3,000 young people through assemblies, workshops, and 1:1 mentoring
- 🏫 Worked with 24 schools across Portsmouth and surrounding areas
- 👛 Grown to 7 business sponsors
- ☀️ Built a network of 15 incredible role models & 2 creative partners
- 🤝 Appointed 2 Non-Executive Directors to help guide our mission

We've seen overwhelming support from schools, communities, and young people, but also real challenges, especially when it comes to funding.

While many funders say our work should be statutory, schools simply don't have the budget to make that happen. We're stuck in the middle, and that's where you come in. Despite these barriers, we've kept pushing forward.

From delivering powerful assemblies and workshops across the city to helping reduce risk of NEET status with 16–17-year-olds, they've been at the heart of everything we do.

But we need continued support.

**Support for the brand.
Support for the movement.**
