ALL THE LATEST HIGHLIGHTS & UPDATES
FROM POLITELY REBELLIOUS NEXT GEN

NEW TERM, SAME MISSION.

The last two months have been a whirlwind of energy, impact & growth, and we couldn't be more excited to share some updates with you.

As always, our mission remains the same: empowering young people to thrive, find their voice, and step confidently into their futures.

Welcoming New Role Models

This term, we're proud to welcome inspiring new role models each bringing their own lived experience, skills, and passion.

You can explore their stories and journeys in our Role Model brochure below.

School Sessions

It's been wonderful to get back into schools and see the energy of young people engaging with our programmes.

The feedback has been incredible, and it's inspiring to see young people empowered to think differently about their futures.

Huge Thank You To Our New Sponsors!

We're incredibly grateful to our new sponsors who have joined our journey.

Their belief in our mission and investment in young people makes such a difference to the impact we can create.

Together, we're building stronger futures.

Funding & Grants | Fuel for Change

We are so fortunate to have been awarded new funding that allows us to reach even more young people:

OPCC Safer Communities Fund:

Funding the delivery of our Empowering Young People to Take Control of their Digital Footprint programme; helping young people understand online safety, responsible digital use, and the importance of protecting their digital identity.

Blaggrave Trust:

Funding towards our youth-led group, VOYCE, ensuring young people continue to be at the heart of everything we do.

We're just getting started! With more schools, more role models, and more projects on the horizon, this term promises to be full of impact, inspiration, and growth.

Thank you, as always, for being part of this journey with us. None of this would be possible without the support of our partners, sponsors, role models, and community.
