10:00am - 11:00am

Come and make some Small Sounds with us!

Join us on Tuesday mornings from 10am–11am during term time for joyful music sessions for babies and children aged 0–5 and their parents or carers.

Each week, we'll sing, move, and explore sounds together in a relaxed and welcoming space. Led by Cathedral musicians, the sessions are designed to spark little imaginations and build a love of music from the very start.

Each session lasts around 30 minutes, with time to chat and play before or after.

Free to join, though donations are always welcome to support our music work.
