

## INSIDE: City of Portsmouth College Challenge Day Programme Overview

### Purpose

The *INSIDE: City Of Portsmouth College Challenge Day* programme aims to give Year 10 and Year 11 students an exclusive insight into the City of Portsmouth College courses and the transferable life skills essential for success that they cultivate in their students.

### Outcomes for the Schools and Young People

- Expose students to opportunities for personal and career development through studying at CoPC
- Connect young people to inspirational guest speakers and business professionals from across the city

### Part 1: The Programme

- A high energy, interactive challenge day that allows exploration of several courses and industries
- Hosted at your school on your chosen date before 12th February 2026
- Letters from Unloc to parents/guardians to explain programme
- We can accommodate for up to 3 cohorts of 30 students

Workshop	Employability Skill	Challenge / Activity
Beat The Clock	Teamwork	Bingo card of teamwork challenges worth a variety of points
Dockyard Designers	Communication	Building challenge to recreate famous Portsmouth landmarks with added complexities
Campus Crime Files	Problem solving	Crime scene photos of college campuses where students will investigate to solve the mystery
Code Shift	Adaptability	Engineering challenge with a focus on new technology
Leaders & Locals	Leadership	Access to influential Portsmouth leaders and business owners

### Part 2: Exclusive Drinks Reception

- An exclusive event for all participants and their parents/guardians of the *INSIDE: City of Portsmouth College Challenge Day* programme during the 12th February 2026 open evening
- Letter to parents/guardians, vibrant invitation for the students
- Hosted on-site at the Sixth Form Campus
