

# STRONGER TOGETHER:

## Baby Room Network

Are you an **Early Years Practitioner** working with babies? Then join our **Baby Room Network** to connect, share ideas, and develop your practice?

Our next session will discuss 'Creating a Responsive Baby Room: Focusing on High Quality Interactions'.

Led by **Dr Mona Sakr**, Associate Professor of Early Childhood Education at Middlesex University, this network offers a unique opportunity to explore pedagogy, creativity, and leadership in the baby room. Mona's passion for supporting practitioners in this vital area of early education shines through her work and her leadership of [babyrooms-inspiringleaders.co.uk](http://babyrooms-inspiringleaders.co.uk).

Join us to:

- ✦ Network with other baby room practitioners
- ✦ Share experiences and best practice
- ✦ Gain valuable CPD to support your work with babies
