School Readiness Sessions

Helping your child take their first big step

Identifying learning needs

Assisting parents and carers to identify your own learning and development needs and pathways.

Improving social & emotional development

Support to develop skills that are crucial for your child's social and emotional growth

Enhancing early literacy & numeracy

Focusing on early literacy and numeracy, which are essential for school readiness

Promoting family engagement

Encouraging family engagement with your child's learning & development, which is vital for school success
