

The Armed Forces Outreach is designed to provide help and support to all military personnel, veterans, and their families. Working with the service charities and organisations the outreach assists and facilitates to ensure that current and former military personnel have access to the right support. We have also formed close links with several businesses, charities, and organisations across Shropshire, many of whom have signed the Armed Forces Covenant to demonstrate their support.

A veteran is anyone who has served for one day and has a service number. This will be required to access support from the service charities. If the service number cannot be confirmed it can be traced but it will take time.
