

HAVE YOUR SAY!

HELP US ENHANCE LOCAL CANCER SERVICES

- **Have you been impacted by cancer?**
- **Do you know someone who has?**
- **Do you work for the NHS or Local Authority?**
- **Perhaps you work for a support group or volunteer to help those living with cancer?**

Whatever your association with cancer, we want to hear from you as part of a project to improve lives for those impacted by the disease in Shropshire, Telford and Mid Wales. It will take no longer than 10 minutes, and your views will help inform our LiveLife Cancer Awareness Service - and positively influence local cancer services and support for generations to come.

The more feedback we can get the better so please feel free to share as widely as possible.

If you would like to participate in the survey follow this link:

A series of focus groups will be arranged for those keen to get further involved - contact Korrina Campbell at **korrina@campbellcharles.co.uk** for details.
