NHS CHARITIES
TOGETHER

Are you aged between 60 and 95? Do you feel at risk of falling? Then why not book yourself in for a Functional Fitness MOT?

Your session includes:

A one-to-one session of simple tests to see how you're doing for your age bracket or whether you could benefit from being more active.

A short taster session in gentle exercise and information on suitable local and online exercise opportunities.

A talk and film presentation on how to reduce your risk of falling, develop a personal Falls Plan for your home and learn how to get up safely if you do fall.

Take home your fitness test results, personal action plan and information about health, activity and improving strength and balance.

A donation towards the work of our charity would be greatly appreciated.
