

# Local Community Connector Networks

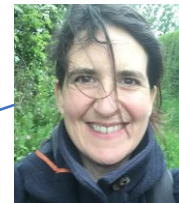

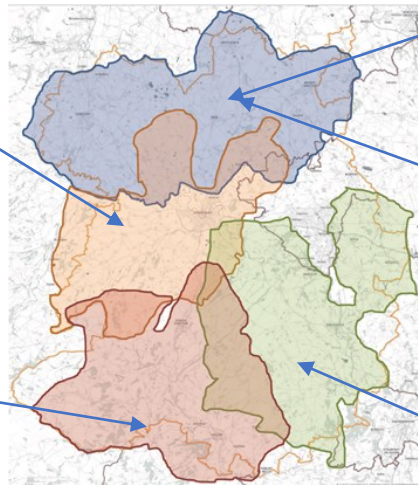

## Have you signed up to the Community Connectors Network yet?

If not, why not do it today! This network provides a convenient way of staying up to date with what's going on across Shropshire's voluntary and community sector. You can join the **virtual network** which will ensure you're kept up updated via regular email bulletins (please email **Louise** to join – details below). Additionally, you're invited join live meetings (held both virtually and face to face) which are specific to the various locality areas and provide the opportunity to network with other partner organisations.

Please email your local **Community Development Officer** for more details and to join...
