Are you aged between 60 and 95? Do you feel at risk of falling? Then why not book yourself in for a Functional Fitness MOT?

Your session includes:

- A one-to-one session of simple tests to see how you're doing for your age bracket or whether you could benefit from being more active.
 - A short taster session in gentle exercise and the chance to find out about suitable local activities and online exercise opportunities.
 - A talk and film presentation on how to reduce your risk of falling, develop a personal Falls Plan for your home and learn how to get up safely if you do fall.
- Take home your fitness test results, personal action plan and information about health, activity and improving strength and balance.

How can you join?
