

HELP US KEEP LUDLOW A HEALTHY AND HAPPY PLACE TO LIVE!

Together, we want to keep Ludlow a healthy and happy place to live. A place where you and your loved ones can feel good and have what you need to stay healthy. This begins at home, at school and in the community.

We care about what you value and what makes you feel healthy and well in your community. We want to know if there are things that could be improved or done differently to help you and your loved ones feel even better.

Help us understand our communities and share what you know using the QR code below or online at: forms.office.com/e/y3zX5cLDHi
Paper surveys can be returned to the post-boxes located in Ludlow Library, Ludlow Assembly Rooms and The Rockspring Centre.

SURVEY

Glenn Ginger, Mayor of Ludlow - *“Ludlow Town Council is very pleased to be assisting Shropshire Council to seek the views of local people. The wellbeing of our community is important to us all”.*

Cecilia Motley, Shropshire Council Councillor- *“We are delighted to be working with Ludlow Town Council to discover the health and wellbeing needs of Ludlow residents. This will help us to better understand how we can best support local people to live healthier lives for longer”.*
