

Live online 45-minute Ofsted update

9:30am Tuesday 14 October 2025

repeated at

9:30am Monday 20 October 2025

This session provides important information about Ofsted and school inspection from November 2025. A must for school leaders.

Presenter: Diane Pye

£50 (+VAT) per school

These sessions provide important information about Ofsted and the renewed school inspection framework 2025.

This session will include information about:

- the new criteria and its application
- what inspection will consider
- inspection activities and evidence
- how school leaders will work with inspectors
- the 'secure fit' model
- outcomes and implications
- timescales
- documents to know about

A must for school leaders

Diane will stay online for a while after the session to answer any questions.

Alternatively, she will respond to questions via email after the event.

The session is aimed at school leaders.

It will be online via Microsoft Teams.
