**NEW for autumn 2025, this DPSI course provides inspirational ideas to develop and strengthen teaching, learning and executive function.**

**Informed by research and proven impact.**

**The morning will include:**

- developing executive function
- looking ahead to the new Ofsted framework
- curriculum ideas, resources and successes
- effective routines and systems
- laying foundations for learning in different national curriculum subjects
- the impact of purposeful language and conversations
- securing key concepts and knowledge

**Attendees will come away with refreshed thinking and plenty of ideas.**

### Feedback from summer 2025 early years training

*'A very informative and effective session. I learned an enormous amount and am keen to put it into practice'* **Deputy headteacher, Shropshire**

*'Lovely to share ideas. Once again, very informative and lots of things added to my to do list. Thank you'* **Assistant headteacher, Dudley**

*Excellent and incredibly helpful. It was great to hear the evidence and research from studies about how children learn and progress. It has also been highly insightful to discuss with other professionals. Thank you so much'* **Early Years teacher, Herefordshire**

**Inspirational and impactful training**
